prompt written notice of any such Claim of which the Indemnified Party has knowledge and the Issuer will undertake the investigation and defence thereof on behalf of the Indemnified Party, including the prompt employment of counsel acceptable to the Indemnified Parties affected and the payment of all expenses. Failure by the Indemnified Party to so notify will not relieve the Issuer of its obligation of indemnification hereunder unless (and only to the extent that) such failure results in forfeiture by the Issuer of substantive rights or defences.

12.5 No admission of liability and no settlement, compromise or termination of any Claim will be made without the Issuer's consent and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld; provided, however, that no consent of an Indemnified Party will be required if the Issuer has acknowledged in writing that the Indemnified Parties are entitled to be indemnified in respect of such Claim and such settlement, compromise or termination includes an unconditional release of each Indemnified Party from any liability arising out of such Claim without any admission of negligence, misconduct, liability or responsibility by or on behalf of any Indemnified Party. Notwithstanding that the Issuer will undertake the investigation and defence of any Claim, an Indemnified Party will have the right to employ separate counsel with respect to any Claim and participate in the defence thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Party unless:

- (a) employment of such counsel has been authorized in writing by the Issuer;
- (b) the Issuer has not assumed the defence of the action within a reasonable period of time after receiving notice of the claim;
- (c) the named parties to any such claim include both the Issuer and the Indemnified Party and the Indemnified Party will have been advised by counsel to the Indemnified Party that there may be a conflict of interest between the Issuer and the Indemnified Party; or
- (d) there are one or more defences available to the Indemnified Party which are different from or in addition to those available to the Issuer;

in which case such fees and expenses of such counsel to the Indemnified Party will be for the Issuer's account, provided that the Issuer shall not be responsible for the fees or expenses of more than one legal firm in any single jurisdiction for all of the Indemnified Parties. The rights accorded to the Indemnified Parties hereunder will be in addition to any rights an Indemnified Party may have at common law or otherwise.

12.6 If for any reason the foregoing indemnification is unavailable (other than in accordance with the terms hereof) to the Indemnified Parties (or any of them) or is insufficient to hold them harmless, the Issuer will contribute to the amount paid or payable by the Indemnified Parties as a result of such Claims in such proportion as is appropriate to reflect not only the relative benefits received by the Issuer or the Issuer's shareholders on the one hand and the Indemnified Parties on the other, but also the relative fault of the parties and other equitable considerations which may be relevant.

Notwithstanding the foregoing, the Issuer will in any event contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim any amount in excess of the fees actually received by any Indemnified Parties hereunder.

- 12.7 The Issuer hereby constitutes the Agent as trustee for each of the other Indemnified Parties of the Issuer's covenants under this indemnity with respect to such persons and the Agent agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

13. ASSIGNMENT AND SELLING GROUP PARTICIPATION

- 13.1 The Agent will not assign this Agreement or any of its rights under the Agreement nor, with respect to the Offered Shares, enter into any agreement in the nature of an option or a sub-option unless and until, for each intended transaction, the Agent has obtained the consent of the Issuer and notice has been given to and accepted by the Regulatory Authorities.

- 13.2 The Agent may offer selling group participation in the normal course of the brokerage business to selling groups of other licensed dealers, brokers and investment dealers with which the Agent has a contractual relationship in respect of the Offered Shares or who are otherwise offering selling group participation by the Agent (each, a "Selling Firm"), who may be offered part of the compensation received by the Agent hereunder. The Agent shall require each Selling Firm to agree to comply with the Securities Laws and all other applicable laws or regulatory requirements in connection with the distribution of the Offered Shares and shall offer the Offered Shares for sale to the public directly and through Selling Firms upon the terms and conditions set out in the Final Prospectus and this Agreement. The Agent shall, and shall require any Selling Firm to, offer for sale to the public and sell the Offered Shares only in those jurisdictions where they may be lawfully offered for sale or sold. The Agent shall: (i) use commercially reasonable efforts to complete and cause each Selling Firm to complete the distribution of the Offered Shares as soon as reasonably practicable; and (ii) promptly notify the Issuer when, in their opinion, the Agent and the Selling Firms have ceased distribution of the Offered Shares and provide a breakdown of the number of Offered Shares distributed in each of the Selling Jurisdictions where such breakdown is required for the purpose of calculating fees payable to the Regulatory Authorities.

- 13.3 The Agent may invite one or more investment dealers to form an agency syndicate group to participate in the Offering, it being understood that the Agent will at all times be the lead agent and sole bookrunner for the Offering, have the right to select syndicate members (subject to prior to consultation with the Issuer), and shall control all syndicate arrangements.

14. ALTERNATIVE BUSINESS TRANSACTION

- 14.1 If the Offering is not completed as a result of the Issuer's decision to pursue an Alternative Business Transaction (which transaction is completed within 12 months of the withdrawal of the Offering), then promptly upon closing of the Alternative

Business Transaction the Issuer shall pay the Agent an amount equal to the Corporate Finance Fee and the Agent's Cash Commission, plus applicable taxes, that would otherwise have been earned by the Agent assuming the Maximum Offering was completed together with the Agent's costs and expenses incurred to that date. For greater certainty, it is agreed that if the Agent terminates this Agreement in accordance with section 8.1, the Issuer will be free to pursue other methods of financing, in which case the Issuer will not be responsible for paying the Agent the fee payable under this section.
