### DUNBAR METALS ANNOUNCES UP TO \$1,000,000 FINANCING ON BEST EFFORTS BASIS

**Vancouver, Canada – December 31<sup>st</sup>, 2024 – Dunbar Metals Corp. (“Dunbar” or the “Company”)** (CSE: DMC) announces that it will conduct a financing for gross proceeds of up to \$1,000,000 at a price of \$0.12 per unit, with each unit consisting of one common share and one full warrant exercisable at \$0.16 per share for a period of 36 months. The financing will be undertaken on a best efforts basis.

The proceeds from this financing are intended to be used for advancing work on Dunbar's Gorilla Lake project, potential acquisitions, and general working capital purposes. However, the Company cautions that it currently does not have any firm commitments or orders for the financing and cannot guarantee that it will be successful in raising all or any portion of the intended funds.

"This financing represents a critical step for Dunbar Metals as we seek to progress our exploration and development activities at Gorilla Lake and bolster our strategic initiatives," commented Mark Ferguson, CEO of Dunbar. "While we are optimistic about our prospects, we must acknowledge the inherent uncertainties in raising capital under current market conditions."

Dunbar remains focused on enhancing shareholder value through disciplined capital allocation and prudent resource management. The Company continues to evaluate opportunities that align with its growth objectives, leveraging its expertise in the resource sector to navigate evolving market dynamics.

The financing is made to accredited investors within the meaning of National Instrument 45-106, and completion of the financing is subject to acceptance of the Canadian Securities Exchange. All securities issued in connection with the financing will be subject to a statutory hold period expiring four months and one day from the closing. Finders' fees may be payable in connection with the sale of the units in accordance with applicable securities laws.
