Glenstar Ventures Inc. Obtains OTC Listing

VANCOUVER, BC – September 13th, 2024 – Glenstar Ventures Inc. (www.glenstar.ca) (the "Company") (CSE: GSTR) (OTC: GSTRF) ("Glenstar" or the "Company"), is pleased to announce that the Company's common shares have started trading on the US:OTCPK under the symbol GSTRF. The Company is in the process of applying to upgrade the listing to the OTCQB and will provide a further update in due course.

The company has also engaged Black Swan Solutions Inc. ("Black Swan"), located in Marple Ridge BC, to perform digital marketing and assist in developing the company's social media platform. These services will include creative content, short videos and other forms of digital marketing. The company will compensate Black Swan \$30,000 for a term of one month starting sometime after September 15th 2024, after which, the parties may mutually agree to extend the term of this Agreement.

About Glenstar Ventures Inc.

Glenstar Ventures Inc. is a mineral exploration company with a focus on poly metallic minerals. These elements are classified critical minerals and are essential in the manufacturing of electronics, and other vital energy technologies.

Glenstar intends to explore, acquire and develop critical mineral and energy metal properties in the best jurisdictions in North America and throughout the world

On behalf of the Board of Directors

"David K. Ryan"

David Ryan
Chief Executive Officer

Information set forth in this press release contains forward-looking statements relating to the OTCQB Listing and the engagement of marketing services, are made as of September 13, 2024 and are based on assumptions as of that date. These statements reflect management's current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. Glenstar cautions that all forward looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond Glenstar's control. Such factors include, among other things: risks and

uncertainties relating to exploration and development; the ability of Glenstar to obtain additional financing; Glenstar's limited operating history; the need to comply with environmental and governmental regulations; potential defects in title to Glenstar's Property, fluctuations in currency exchange rates; fluctuations in the prices of commodities; operating hazards and risks; competition and other risks and uncertainties, including those described in Glenstar's prospectus dated May 1, 2024 filed with the Canadian Securities Administrators and available on www.sedarplus.ca. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward looking information. Except as required under applicable securities legislation, Glenstar undertakes no obligation to publicly update or revise forward-looking information.
